Far West has been under construction for a long time.

I wish the City of Austin would consider a portion of BRENTWOOD PARK an OFF leash dog park during certain hours....say: 6am-9am and 6pm-10pm. There is enough room at Brentwood for the dogs to be off leash, ample room for the kids to play on the playscape, play ball on the field, soccer on the field, basketball, volleyball and tennis. AMPLE ROOM for the dogs while all this is going on!!!!!!!!!!!!

More fenced dog parks!

Perhaps one already exists and I am unaware of it, but I would like to see a 'training park' - a fenced area (maybe within an OLA) for dogs who aren't yet ready to go off leash - but you have to practice somewhere!

If the poison ivy could be eliminated from some of the other park we would use them on the weekends. seperate bike and dog traffic if possible. My dog does not chase bike but speeding bike put my dog at risk.
